naNo TURTLE™ INSTRUCTIONS

www. playmatestoys. com

The object is to take care of your Nano Turtle, just like you would a real turtle. If you take good care of your Nano Turtle, it will grow up happy. Your Nano Turtle will change appearance based on its age, weight and health. If you neglect your Nano Turtle, the play will end prematurely and your turtle will run away. It takes approximately one month to play with your Nano turtle successfully.

CONTROLS

There are two different modes for your Nano Turtle: Timer Mode & Play Mode

Remove the Activation Tab by pulling it straight out. Your Nano Turtle should now be activated. Before you go any further, you need to give your turtle a name and set the current time.

NAMING YOUR NEWBORN

To enter your new Nano Turtle's name, simply:
Press button ▷ to scan through the alphabet.
Press button ◁ to scan backwards through the alphabet.
Press button ○ to select a letter and move to the next blank space.

When you are done, press button □ to enter in your Nano Turtle's name.
After you decide on a name for your Nano Turtle it is very important that you set the current time. (Please note, you can only set the time before your Nano Turtle is born.)

SET THE TIMER

Press button ○ to enter Timer Mode.
Press button □ and hold until the numbers begin to blink.
Press button ◁ to advance the hour.
Press button ▷ to advance the minutes.
Press button □ to enter the time and start the Timer.
Press button ○ to go back to Play mode.

Now, sit back and watch the wonders of binary birth, (be patient, this takes a little time.)

SOUND ON/OFF

Press button ○ to enter Timer Mode
Press button ◁ to turn sound off (♪ on display disappears)
Press button ◁ again to turn sound on (♪ on display re-appears)
Press button ○ to go back to Play Mode

PAUSE FEATURE

Press button ○ to enter Timer Mode
Press button ▷ for at least 4 seconds to pause play (beating heart changes to pause symbol)
Press button ▷ again for at least 4 seconds to resume (pause symbol changes back to beating heart)
Press button ○ to go back to Play Mode
(NOTE: you must resume play to go back to Play Mode.)

TURTLE'S HEALTH ? ? ?

In order to take good care of your Nano Turtle, you must know what it needs.
To check your Turtle's Health:
Press button ◁ or ▷ to select the Health Icon on the screen.
Press button □ to confirm your selection.
Scroll through the Health section using buttons ◁ or ▷.
You can check the following:
- Discipline
- Food
- Happiness
- Age and Weight

(NOTE: Always check the health of your Nano Turtle when the alert icon is displayed. In the early stages of play you must pay close attention to what your Nano turtle needs or it may run away after only a few hours of neglect - if it is sick or dirty, etc. You may also use the pause feature to decrease the chance of your Nano Turtle running away prematurely. Your Nano Turtle will not grow while play is paused.)

FEEDING TIME

All babies work up an appetite being born so you'll want to feed your newborn Nano Turtle right away. To feed your binary bundle of joy:
Press button ◁ or ▷ to select the feeding icon on the screen.
Press button □ to confirm your selection.
Press button ◁ or ▷ to select the proper food.
Press button □ to feed your Nano Turtle.
(NOTE: You should not overfeed your Nano Turtle. You should monitor your turtle's food level and try to keep it around 3/4 full. Also, too much of one type of food is bad for your Nano Turtle so you should vary its diet. This should include a variety of foods from lots of healthy eats to occasional treats and sweets which will make your Nano Turtle happy.)

CLEANING TIME

When your Nano Turtle makes a mess, you have to clean it up -- yuka-puk!
If you see some stinky digital droppings on your screen or if your turtle hasn't had a shower in a while, then it's time to clean your Nano Turtle.
Press button ◁ or ▷ to select the cleaning icon on the screen.
Press button □ to clean your Nano Turtle.
Repeat as necessary.

PLAY TIME

Playing with your Nano Turtle is very important. You need to make it happy to grow up healthy.
Press button ◁ or ▷ to select the game icon on the screen.
Press button □ to start the game.

The object of the game is to press the buttons that correspond to the symbols (shown below) that are displayed on the screen in order to cancel them.

○ = ○
◁ = ○
▷ = ○
□ = ○

If you cancel all of them as they appear your Nano Turtle will be happy. If the symbols fill the entire screen the game is lost and your turtle will be sad.

SLEEP TIME

Your Nano Turtle must get plenty of rest; so at night you should put your Nano Turtle to bed. To put your turtle to bed:
Press button ◁ or ▷ to select the sleep icon on the screen.
Press button □ to confirm your selection.

DISCIPLINE

If your Nano Turtle starts to cry for no reason, then you must discipline your turtle.
(NOTE: Be sure to check the Health Icon first! Your Nano Turtle should be well disciplined, especially during the early stages of its life.)
To teach your Nano Turtle to behave, you must:
Press button ◁ or ▷ to select the discipline icon on the screen.
Press button □ to confirm your selection.

MEDICINE

If your Nano Turtle gets sick, you must give your Turtle medical attention right away!
(NOTE: If your Nano Turtle will not play with you or will not eat even though it is hungry, then your Nano Turtle is, indeed, sick.)
Press button ◁ or ▷ to select the Medicine icon on the screen.
Press button □ to confirm your selection.

EXERCISE

In order to keep your Nano Turtle fit and healthy you should make sure it gets plenty of exercise. To make your Nano Turtle jump and exercise:
Press button ◁ or ▷ to select the exercise icon on the screen.
Press button □ to confirm your selection.

WEATHER

If you see bad weather approaching, or if it begins to thunder or rain outside, you should send your Nano Turtle inside for shelter. To shelter your Nano Turtle from a storm:
Press button ◁ or ▷ to select the weather icon on the screen.
Press button □ to confirm your selection.

ATTENTION ICON

If the attention icon is displayed, you need to check on your Nano Turtle.

SUCCESS

Be a good parent and take very good care of your Nano Turtle and it will grow big and strong and live a long life! If you neglect your Nano Turtle, it will run away from home.

To start a new Nano Turtle, have an adult use a pointed object to press the reset button on the back of the unit.
